

**(H) Classification and Public Release Review MFR**

MEMORANDUM FOR RECORD

SUBJECT: Classification and Publication Review of

1. **Purpose.** To protect against the accidental or unauthorized disclosure of classified material, policy misstatements, or information detrimental to the United States Government (USG), Department of Defense (DoD), or United States Special Operations Command (USSOCOM) while promoting an open academic environment where timely research and scholarly activities can contribute to the profession of arms.
2. **Background.** Joint Special Operations University (JSOU) Press operates under the principle of “security review at source.” It is the responsibility of the author, when a current or former U.S. Government (USG) employee or contractor, to submit materials for prepublication review through either their parent organization or the DoD prepublication review process.
3. **Check statement(s) that apply.**

\_\_\_\_\_ I confirm that \_\_\_\_\_ underwent **classification review** through \_\_\_\_\_ on \_\_\_\_\_ and was approved for publication. Documentation attached.

\_\_\_\_\_ I confirm that \_\_\_\_\_ underwent **public release review** through \_\_\_\_\_ on \_\_\_\_\_ and was approved for publication. Documentation attached.

\_\_\_\_\_ I confirm that I have never served as an employee of the United States Government (USG) or a contractor to the USG. I further state that none of the source material used in \_\_\_\_\_ is from a source inside the USG that could represent an unauthorized breach of confidentiality or appears to be proprietary information of a private organization.
